

# Membership

## Membership Levels

### Gemini - \$105

Two individuals  
(one must be an adult)

### Voyager - \$195

One or two adults, all  
children in household

### Endeavour - \$275

One or two adults, all children  
in household plus two guests

## Subsidized Membership

### Curiosity - \$45

One or two adults, all children in household

Families and individuals that participate in the Supplemental Nutrition Assistance Program (SNAP, WIC) and the Families First/Temporary Assistance for Needy Families (TANF) program are eligible for a subsidized membership. **Must purchase in person with proof of assistance.**

## Your Benefits

- Free admission all year long
- Free admission to 300+ science centers in the USA and worldwide with the ASTC passport
- Support the science center and change lives through extraordinary experiences
- Member express check-in
- Discounted Planetarium and MaxFlight tickets
- Discounts for gift shop, camps, classes, special events, guest passes and more
- Member-only events and activities

### Looking for a discount?

Membership discounts are available for educators, college students, seniors (65+), active first responders, and military (active, reserve, or retired). **Must apply in person with valid qualifying ID for discount.**

### Explorers Pass Add-On - \$90

Allows everyone on the membership to reserve one (1) Planetarium ticket per visit.

### Caregiver Add-On - \$50

Allows one unnamed adult to accompany your child(ren) when you aren't present, and acts as an additional guest when you are present.
