

ADVENTURE SCIENCE CENTER BIRTHDAY PARTY: FAQ

Can the party guests explore Adventure Science Center before or after the allotted party time?

Yes. Guests of the party may arrive anytime during open hours to explore the exhibits but will not be granted access to the party room until the scheduled party time.

How do guests find the party room when they arrive?

- If they arrive before the scheduled party time, they will go to the front desk and let the Guest Service Representative know they are there for _____'s birthday party. They will be granted access to the science center.
- If they arrive at the scheduled party time, they will find the party sign directly to the left inside the front lobby and follow it into the party room.

Can I add extra time to my party reservation?

No. Parties are reserved in 2-hour time slots with the addition of 30 minutes before to set up and 30 after to clean up.

What food am I allowed to have at my party?

Celebratory treats such as cake, cookies, and cupcakes are allowed. Snacks such as chips, pretzels, popcorn, candy and drinks are permitted. **Outside catered meals are not allowed.** If you would like a catered meal, you must order through the on-site Subway. The Subway order form can be found [here](#).

How many adults must be at the party?

For all group reservations, we require an adult to child ratio of 1:10.

What kind of decorations are allowed?

Tables and chairs may be decorated by using clear tape or masking tape. Piñatas, silly string, confetti, and noise makers are not permitted. Items may not be fixed to the walls or doors. Balloons are permitted but must be popped and disposed of before the end of the party.

Is there a discount if I am a member?

Yes. There is a \$50 discount on reservations for members. You must be a member at the time of booking for the discount to be applied to your reservation.

Which program is more appropriate for my party?

- The planetarium show is a 30–40-minute program in the Sudekum Planetarium. Your guests will join other visitors in one of our publicly scheduled shows. This option is recommended for ages 6+ and with ample adult supervision.
- The Live Science option is a 15-20-minute program in Eureka Theatre. Your guests will enjoy a private show of our presenters' favorite demonstrations. This option is good for all ages.
