

Adventure Science Center Group Trip Guide

We are excited to help you plan the perfect group trip to Adventure Science Center! Please see pricing, guidelines, and additional information for group visits below.

Questions? Email reservations@adventuresci.org

Ready to book? Fill out our [group field trip form](#) to get started.

Pricing and payment

One single payment for the total balance is due upon arrival via check or credit card, or may be made up to two weeks prior to your visit. We can also invoice your organization upon request. If paying by check on the day of your visit, please provide the most accurate headcount possible in advance. If paying by credit card (including over the phone), payment may be made up to two weeks prior to your visit at the earliest. Please note that we are unable to process refunds for payments made by check; however, refunds may be issued for payments made by credit card if needed.

	Group Youths (2-12)	Group Adults (13+)
General admission (visit exhibitions)	\$16	\$20
Planetarium show	\$7	
Currently, the following add-ons are not available to book for non-school groups, summer visits, weekend visits, and non-school day visits: - Indoor lunch space - Additional programming (demonstrations, labs, dissections)		

Group size

To qualify for group trip pricing, your group must include **at least 20 attendees**.

Parking

Parking for buses is free, but we require an advance count of the number of buses you will be bringing.

Lunch

A covered outdoor picnic pavilion seating up to 180 guests is available free of charge in the lower parking lot on a first-come, first-served basis. Students may bring their own lunch or pre-order box lunches from our located in the STRATA Café. Please keep all lunches and coolers on the bus. The pavilion is available year-round, but we recommend planning a backup option in case of inclement weather.

Arrival

When your group arrives, please have all attendees remain on the bus while the lead contact enters the lobby to check in and finalize headcount and visit details. All chaperones will receive maps of the center highlighting where their group will meet before departure; this meeting location will be within one of our exhibit areas. Once check-in is complete, a Learning Specialist will meet your group at the bus or outside to provide a brief orientation before your visit begins. **If arriving separately by car**, please wait until all attendees have arrived before checking in. Once everyone has arrived, the lead contact may enter the lobby to check in and bring all attendees to the front outside of the building for orientation.

Planetarium

While we do offer planetarium shows for summer and weekend groups, all group shows will be part of our public planetarium schedule. The planetarium schedule is released two months in advance. You can find the schedule [here](#). Once you have decided which show you would like to attend, please reach out to our reservationist after completing our [group trip form](#) to confirm availability for your group.
